

Dear Parent/Guardian

The PE department is currently going through a process to change the schools Physical Education sportswear for lessons. As you may be aware, we have had the current yellow jersey for some years and it is time to keep up with current trends and modernise our sportswear.

Therefore the new Calderstones PE kit will consist of:

- Black APTUS t-shirt with yellow piping (**Compulsory - pictured**)
- Plain black shorts (**Compulsory**)
- Black socks with yellow trim (**Compulsory**)
- Black sports leggings (Females – Optional)
- Plain black track-suit bottoms (Optional)
- APTUS training top (Optional - Pictured)
- Plain black sweat shirt with Calderstones badge (Optional)

All tops must have the Calderstones badge with 'Physical Education' underneath. The t-shirt and training top come in male and female fittings. Optional items compliment the compulsory PE kit and will be predominantly worn in winter. The APTUS t-shirt must be worn underneath the training top/Sweatshirt.

In **September 2017**, all of the new Year 7 pupils will be requiring the new kit in their PE lessons with the rest of the school having until **September 2018** to change their kit. There is absolutely no necessity for any pupil to change their current kit until that point. This allows for pupils to grow out of their current kit until the point at which they're ready to transfer to the new version. The yellow jersey is currently on sale at Trutex at a discounted price for anyone who would like to take advantage of this offer.

Up to September 2018 pupils may wear the current yellow Jersey or the new black APTUS t-shirt in lessons. If you would like to buy the new kit it will be on sale from February 1st 2017 at [Fitwell](#) (Smithdown Road, L15 5AJ), [Laser](#) (St Mary's Road, L19 2JD, London Road L3 5NL, also on their website) and [Trutex](#) (St Marys Road, L19 0NQ).

If you have any questions about the new kit please do not hesitate to get in touch with me at the school.

Yours Sincerely

G. Johnson
Head of PE
