

30th January 2017

Dear Parent/Guardian

As you may be aware Chartwells have been the catering suppliers at Calderstones School for the past 10 years. We have recently reviewed our food offer, taking into account what is currently on the high street and also listening to the needs of our pupils and we have implemented new initiatives into our menus to make them more appealing but also still nutritionally balanced.

Therefore, we are happy to announce that our new food offer will be available at Calderstones School from Monday 27th February. We are moving away from traditional meals to more global adventures, which means there will be a different cultural meal on each day. For example, British, Indian, Thai, Mexican etc. There will be taster pots available each day for the pupils to be able to try before they buy.

Theme days will still take place throughout the month and we will also continue to work with the school with any events they want our support with.

If you request any special dietary information, then please do not hesitate to contact myself or the school canteen directly.

I am confident that your children will enjoy the exciting new options, however Chartwells are always keen to receive feedback and I would be happy to respond to any queries or comments regarding the new food offer.

Kind Regards
Beth McCabe
